

BOOK NOOK

Only a Servant by: Kristina Roy

Submitted by: Isaac Trotter

I'm writing a book report on *Only a Servant* by Christina Roy. I got this book from my mom for my birthday, along with some other books. We started reading it for bedtime stories.

The story's main character is Methodius. He is a young man that wanted to serve God. The setting was in a village in Slovakia. The other main characters are Old David, who is a Jew that sells bones and rags to take care of his goats. Ondrasik is a farmer that Methodius works for. Martin Podhajsky is a drunkard that Methodius helps. Sammy Petrash, who is lame, learns how to take care of a store from Methodius and Old David.

The theme of the story is that Methodius helped everybody and that he wanted to help everybody and wanted all people to come to Jesus.

I learned from the story that people can be very bad and then this one young man can come in and change a whole village. He could change the village because God was working in him and he was showing love to other people.

I liked the story very much because Methodius never thought of himself more than others. I think that people should read this book and learn

from it what I learned and be blessed by

Methodius' actions.
